To Whom It May Concern:

Attached to this letter you will find a spreadsheet with the information of the voting equipment for Cumberland County. As of the General Election held in November of 2018 our voting equipment was in good working order. We will be using the same equipment for the April 2019 General Consolidated Election.

I realize that our equipment has some age to it, but feel that it is in good condition. As of now we are not in the market for new equipment. When we negotiate our new contract with our vendor we will see what is available (buying versus leasing).

Sincerely,

A handwritten signature in cursive script that reads "Beverly Howard".
